Dear Chris and Yin,

On behalf of the teachers and students of the Cottle School I would like to personally thank you for the brilliant presentation you gave to our students. Not only was it informative, but it was one of the very few programs that I have seen in over 30 years of teaching that was so directed to its audience. The children were captivated! Hopefully your enthusiasm will inspire some of them to pursue their talents, whatever they may be, with the same vigor and enjoyment that you conveyed to them in writing and illustrating your books.

Once again my sincerest thanks for your sharing your time and talents with us.

Sincerely,

John Peter DeLibero  
President
