Mr. Chris K. Soentpiet

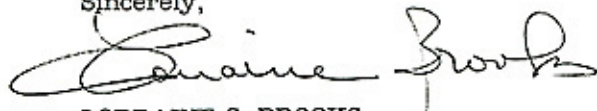

Dear Chris:

Your two days in this school were absolutely amazing! The art students who saw your presentation were mesmerized, inspired and eager to learn more about the world of the artist. One student ran to the telephone to have her father come to school and meet you! That is what I call enthusiasm.

The seniors in Humanities learned a great deal. You have the ability to capture any audience and I can honestly say that this is one of the best programs that I have ever seen. Students learned about art, life, culture and overcoming obstacles. I overheard some of our students talking about your presentation and I can assure you that you have many fans at River Dell.

Rarely have I seen any presentation that engages students so quickly and so well. As one teacher put it, "You could hear a pin drop!" You are always welcome in this school and I look forward to seeing you again.

Sincerely,

LORRAINE S. BROOKS
Principal
